Enterprise Sustainability

Key Developments
- Developed a Business Advisory Committee in 2006, which is comprised of executives from the business community.
- Evaluating move of main landscaping office to more spacious location.
- Developed unique accounting system for the social enterprise (distinct from non-profit accounting system).

Key Strengths
- 10 years experience in landscaping market and pursuing social mission.
- Experienced management team
- High quality service

Key Risks
- Overdependence on key customers: almost 50% sales from 2 customers. RESPONSE: In Spring 2009 we will implement a residential direct marketing campaign to develop new customer base.
- Increased competition from giant multinational landscaping group. RESPONSE: Will not try to compete on price, but will strengthen quality of service.
